## TESDA post-anniversary celebration 2016

As the Technical Education and Skills Development Authority turned 22, TESDA Davao Region held a post-anniversary celebration on October 26, 2016 at the KPVTC-RTC XI multi-purpose hall. The first part of the program had all TESDA XI partners and achievers recognized and

The Loyalty Awardees with the VSA III, Ms. Ruth R. Pundang.

awarded with no less than the Regional Director himself, Dr. Gaspar S. Gayona, CESO III. Moreover, the RD delivered a message enjoining all TESDANS, partners and stakeholders to further put the pedal to the metal as Davao Region is the [new] center of attention nowadays for the Nation's first ever APACC Gold award notwithstanding the new President of the Republic calls it home. The Regional Director's directive in stepping and rising up with the challenge might ruffle a few feathers, still there is no other

way to go but up. The Regional Training Center and other TTIs in the region were instructed to go and get the next gold for Mindanao through hell and high water.

Awardess all: 30 years in service with E.M. Toreta, C.S. Aspiras, former colleague M.F. Coloma and P. G. Yosores

The second part of the program was the presentation of Loyalty Awards to select TESDA XI employees in the Regional Office, Provincial Offices, Training Centers and TTIs including some faculty and staff of Lupong School of Fisheries who were in government service for 10, 15, 20, 25, 30 and 35 years. The members of the EXCOM then handed out the certificates to deserving fellow TESDANS.

## LSF Celebrates Teachers' Day 2016

Over 100 countries observe World Teachers' Day which is also known as International Teachers Day. This is held annually on October 5 since 1994, it aims to mobilize support for teachers and to ensure that the needs of future generations will continue to be met by teachers.

According to UNESCO, World Teachers' Day represents a significant token of the awareness, understanding, and appreciation displayed for the vital contributions that teachers make to education and development.

Despite the hectic schedules, Lupon School of Fisheries has celebrated Teachers' Day last October 14, 2016. With the initiative of the school's Supreme Student Council, led by President Kent Marl Mondejar, a program was held as recognition of the teachers' role in molding the students' future through education. To everyone's enjoyment an audio-visual presentation was prepared showing the candid and not so candid moments of the teachers thru the years in LSF. The high light of the celebration was the giving of flowers and other tokens of appreciation to the teachers and it ended with a simple snack which was shared by all.

## Team Building 2016: A day of fun and games

With the theme "One Team One Goal.. Sustaining Great Results ", the Lupon School of Fisheries Faculty and Staff enjoyed a two-day Team Building Activity last October 27 – 28, 2016 at the Jienos Garden and Beach Resort, Pantukan Comval Province. The activity started with a talk from Mrs. Ma. Leticia C. Salcedo, LSF Administrative Officer IV as she thanked everyone who took their precious time to join the said activity. It was then followed by a message from the Vocational School Administrator III, Ms. Ruth R. Pundang who highlighted everyone's effort in the various endeavors especially on the APACC On-Site Visit and the Star Rating evaluation

*United we stand Divided we fall  
-LSF Family-*

conducted on September 7, 2016 where out of 16 qualifications subjected to Star Rating, 2 rated as 2 Stars and the rest got 1 Star Rating. It was a rewarding feeling for everyone since the result of the APACC second on-site visit revealed the Gold Level Accreditation just very recently on October 21, 2016. The activity resumed by creating small groups which they worked together for their special presentation. The day continued with several games and team challenges which harnessed camaraderie among the LSF Family. Day two started with a breakfast by the beach and some team bonding coupled with fun as the group enjoyed the relaxation of Mother Nature. The overall activity was a successful one and everyone is still looking forward for more team building activities in the years to come.

### VISION

LUPON SCHOOL OF FISHERIES is a leading institution molding values for sustainable development pursue excellence in technical vocational education and training.

### MISSION

LUPON SCHOOL OF FISHERIES develops globally competitive manpower equipped with skills and desirable work values for gainful employment and entrepreneurship.
