LSF program offerings audited for TVET star rating

TVET experts from Region XI headed by Compostela Provincial Director, Ms. Arlyn S. Bandong, audited the 16 program offerings of Lupon School of Fisheries (LSF) on September 7, 2016 to categorize the programs into good, better, or best with corresponding stars.

Thirteen out of sixteen programs qualified for the star rating with the Aquaculture NC II and Cookery NC II garnering two stars. The Animal Production NC II, Bartending NC II, Beauty Care NC II, Bread and Pastry Production NC II, Food and Beverage Services NC II, Front Office NC II, Massage Therapy NC II, Domestic Refrigeration and Air-conditioning NC II got one star while the Agricultural Crops Production NC II, Food Processing NC II, and Housekeeping NC II received candidate status.

Ms. Ruth R. Pundang, Vocational School Administrator III (Far Center) listens to the initial explanation of Ms. Jean Gonzales about the Star Rating System.

The TVET Programs Star Rating System aims to recognize the accomplishments, innovations and improvements that technical vocational institutions have instituted beyond the minimum requirements set in the Unified TVET Program Registration and Accreditation System (UTPRAS), a quality-assured process that sets the TESDA standards for compliance by the training institutions to ensure that their graduates are globally competitive.

(L-R)The lead trainers in Aquaculture, Mrs. Naida G. Lasangre and Mr. Edgardo H. Lasangre, Sr. present the records to Ms. Arlyn S. Bandong, Provincial Director of Compostela Valley Province during the audit.

The respective Lead Trainers of the star-rated programs will be awarded by the TESDA XI Regional Office before the year ends. LSF Program Offerings/

Sports fest 2016

As a yearly event, Lupon School of Fisheries held the sports fest from August 31 to September 2, 2016 with the theme, Friendship, Competition and Fun. On the first day a parade around town signaled the start of the three-day sports fest with the special participation of the Lupon Comprehensive National High School (LCNHS) Drum and Bugle Corps. A short program followed suit to include the lighting of the torch, raising of banners of the participating teams and a modern dance competition.

The LSF students as they compete in basketball and Sepak Takraw during the Sportsfest.

Games like basketball, volleyball, table tennis, sepak takraw among others were played and participated in by the competing teams. On the third and final day of the competition, astute fans were on their feet cheering as the competing teams pulled out all the stops during the championship matches with Cluster D (Front Office, Food Processing, Food and Beverage Services, Refrigeration and Air conditioning) as over all champion. A basketball exhibition game then between the faculty and the men's basketball champs was played in the afternoon after all the championship matches. The 2016 edition of this annual celebration ended up with a bang as a shower party -the first of its kind- was held at the School grounds courtesy of the Lupon Fire Marshall to the delight of the students.

Orientation on TESDA Circular No. 14 and 15 Series of 2016

In observance of the Civil Service Month, Lupon School of Fisheries conducted an orientation on TESDA Circular No. 14 series of 2016 on Guidelines on Leave Administration and Monitoring System and TESDA Circular No. 15 series of 2016 on Policies and Guidelines on Overtime Services and Overtime Pay last September 23, 2016 at LSF Conference Room. Resource Speakers from TESDA XI were invited in the person of Mrs. Loida B. Atencio, TESDA XI FASD Chief and Mrs. Kristi Donna N. Paredes. The said orientation went smoothly as issues and concerns on the types of leave privileges and overtime services were clarified especially the "should be" practices of a government employee.

(R-L) Ms. Ruth R. Pundang, LSF VSA, Ms. Loida B. Atencio, TESDA XI FASD Chief and Ms. Kristi Donna N. Paredes

were clarified especially the "should be" practices of a government employee.
