LSF embraces NDPR celebration

The whole nation celebrated the 39th National Disability and Prevention (NDPR) Week in pursuant to Proclamation No. 361 (2000) as amended by Administrative Order No. 35 with the theme "Karapatan Pribelehiyo ng Maykapansanan: Isakatuparan at Ipaglaban". The 2017 NDPR theme focuses on the realization of the fundamental freedoms and rights of persons with disabilities.

The participants of the Technology-Based Community Training Program with Ms. Janette T. Rañeses (second from left) during their training.

In connection to the celebration, Comarra T. Manuel Central Elementary School-SPED Center coordinated with TESDA Lupon School of Fisheries in conducting a Technology-Based Community Training Program (TBCTP) to persons with disabilities (PWDs) consisting children with intellectual disability (ID) and hearing impairment (HI) as part of their transition. Through the leadership of Mrs.

Imelda N. Garcia, SPED Coordinator with the support of Mr. Alvin T. Abendan, School Principal III, and in partnership with TESDA Lupon School of Fisheries, the training had been successfully conducted on July 29, 2017 at Lupon School of Fisheries, Lupon, Davao Oriental with a total of 30 participants.

Bio Assets Finally Booked

A physical count of biological assets of LSF was conducted by the LSF inventory committee with Ms. Nimfa Lim as the chairman last July 6, 2017 at the 9.6 – hectare farmland of Lupon School of Fisheries located at Dacudao, Ilangay, Lupon, Davao Oriental.

Spearheading the inventory count was the audit team leader Eden Jane Intencion, together with her member Genevieve Camañan, AO IV Mrs. Ma. Leticia C. Salcedo,

Accountant Mae Ann Gudes and committee members Mr. Leandro Quiñones and Mr. Rasam Garuda (agri-crops), Mr. Robert Mejos (animal production) and Mrs. Naida Lasangre (aquaculture).

The said activity was locked up in order to establish a correct physical report of all biological assets of the agency in compliance with the New

LSF Undergoes Compliance Audit

Ms. Mely Lacano (Left) compliance auditor from Wangan National Agricultural School and Ms. Estrella Toreta of LSF during the audit in Cookery NC II

“A compliance audit is a comprehensive review of an organization's adherence to regulatory guidelines”, TechTarget Network. As TESDA's continued excellence, TESDA Technology Institutions, such as, Lupon School of Fisheries, undergoes yearly compliance audit to determine its continuous compliance on program registration requirement and guidelines. The audit does not only cover qualifications registered under UTPRAS but as well as its assessment centers.

VSA Pundang Attends Forum in Thailand

from page 1

With a theme “Strengthening Platform for Cross-Countries Learning and Sharing in ASEAN Plus Three”, the said forum aims at discussing and exchanging of knowledge and experiences among 10 ASEAN Member States (AMS) and Plus Three countries China, South Korea and Japan regarding cross-countries labor mobility in the public sector.

Considering the important role of the public service as a fundamental for a nation’s advancement, mobility or freer flow of workforce in the public sector among ASEAN member states is a significant mechanism to generate synergy development towards efficient and performing public service including the normalization of good governance practices and collaboration of regional knowledge transfer.

LSF celebrates Nutrition Month Culmination

A few of LSF faculty, staff and students during the culmination program of the Nutrition Month Celebration

On July 28, 2017, Lupon School of Fisheries students, faculty and staff conducted the culmination activity for the month long celebration of the

LSF New School Librarian

“Google can bring you back 100,000 answers. A librarian can bring you back the right one.” Meet Lupon School of Fisheries librarian, **Ms. Anne Frances Tan Desabilla**, married to Anthony Trasmonte Desabilla. Though the marriage was not blessed with children, Ms. Anne is never short of LOVE for her student’s learning.

A librarian for more than 17 years at the Holy Cross of Davao College, she opted to transfer to government service despite the difficulty of uprooting herself from Davao City to Lupon, Davao Oriental.

Ms. Anne may be new, she is not afraid to speak her mind but is also open to the opinion of others. For a very short time, she has already change the façade of the school library, giving it a more open and conducive venue for reading and learning. Ms. Anne is full of energy and excitement in using her expertise as librarian towards LSF’s journey to excellence.

nutrition month with the theme "Healthy Diet, Gawing Habit for Life".

The 1-day activity showcased food prepared by every qualification which was then shared through a fellowship lunch by the LSF family. Competition on Poster Making, Essay Writing, Slogan Making, Volleyball and Basketball highlighted the first half of the celebration.

In the afternoon, a program attended by the students, faculty and staff was held at the school covered court with Mr. Larry Juario, the school nurse and Ms. Ma. Leticia C. Salcedo, AO IV who also inducted the newly elected Supreme Student Council (SSC) officers. The winners of the various contests were also awarded at the end of the program.

LSF Undergoes Compliance Audit GSNSAT visits LSF

Compliance Audit for Lupon School of Fisheries Main and Mati campus was conducted last July 25 and 26, 2017 respectively. The group was headed by Ms. Grace Florentino, Administrative Officer IV of Carmelo Delos Cientos National Trade School (CCNTS) with audit members from different personnel from Region XI Provincial Offices and Training Institutions.

Proud to report that Lupon School of Fisheries passed the audit with flying colors, with no audit findings for UTPRAS registered qualification and with only three findings for assessment center qualifications. This just show how dedicated Lupon School of Fisheries is in delivering quality-assured training to its students and its commitment to excellence.

The General Santos National School of Arts and Trades APACC Criterion Champions with their LSF counterparts

The faculty and staff of General Santos National School of Arts and Trades (GSNSAT) paid their third visit to Lupon School of Fisheries last July 20, 2017 in preparation for the Asia Pacific Accreditation and Certification Commission reaccreditation. GSNSAT visits/page 5

LSF embraces NDPR celebration

The participants with Ms. Janette T. Rañeses during their training on Pastry Making

Lupon School of Fisheries conducted Pastry Making with the finished product of sweet dough pie with lemon flavor and lattice toppings and empanada. The children with disability demonstrated making pie and empanada. They were also guided by the trainers in baking. The IDs and HIs

were trained separately. Mrs. Joan B. Apas, Bread and Pastry Production Trainer trained the children with intellectual disability assisted by their guardian while Mrs. Janette T. Rañeses, Bread and Pastry Lead Trainer and Assessor trained the children with hearing impairment. Mrs. Rañeses, applied the shadowing teaching method through Mrs. Jonah B. Amaro, Teacher IV-HI. After the demonstration they were also assessed through oral questioning by Mrs. Rañeses. Mrs. Amaro translated the questions into sign language in order for them to understand and answer. The children joyfully did their activity with confidence.

It's been 4 years since LSF has taken part of the NDPR celebration. Thru those years, the partnership of the two schools are getting efficient and even more igniting.

GSNSAT visits LSF

from page 4

Twenty two personnel from GSNSAT headed by their OIC-VSA Ms. Chuchie A. Duque came all the way from Lagao, General Santos City in order to take a closer look on the preparations done by Lupon School of Fisheries to have achieve the Gold Level Accreditation.

The visitors were welcomed by Miss Ruth R. Pundang and their LSF APACC counterparts. They were then given a campus tour before heading to the APACC room for the presentation of LSF's recent APACC journey and to take a view on some of the documents prepared during the second on-site visit. The visitors then left Lupon around 4:00 in the afternoon.

Bio Assets Finally Booked

from page 2

At around 9:00 am, the team went to llangay where most of the assets are located. They counted the animals individually, surveyed the fish ponds and reviewed the pre-numbered trees.

Thereafter, they got to enjoy the nature encounter as they took their lunch under the trees. In the afternoon, the team proceeded to the school campus for the continuation of the count.

In an institution primarily anchored in fishery and agriculture, biological assets occupy a big spot in its journey to success since they play a big role in unlocking the value of LSF's financial position

Lupon School of Fisheries

VISION

LUPON SCHOOL OF FISHERIES is a leading institution molding values for sustainable development to pursue excellence in technical vocational education and training.

MISSION

LUPON SCHOOL OF FISHERIES develops globally competitive manpower through quality-assured training in technical education and skills development.

VALUE STATEMENT

We believe in demonstrated competence, institutional integrity, personal commitment and deep sense of nationalism.
