23rd TESDA Post Anniversary Party: A night of passion, fashion and glamour

The LSF Family during the TESDA XI Post Anniversary Program on September 25, 2017 at Marco Polo Davao.

How should the presidential region celebrate TESDA's 23rd anniversary? Well, dress like there is no tomorrow and do a little turn on the catwalk. That is music to the ears of the men and women of TESDA XI who found more newfangled ways to celebrating

The two-day celebration started with the recognition of partners in the morning of September 25, 2017 and a seminar on Public Sector Unionism with Miss Ruby Española, OIC, Public Assistance and Liaison Division of the Civil Service Commission Regional Office XI in the Afternoon.

The employee recognition program, which recognizes TESDA XI

personnel-awardees on CSC Lingkod Bayan Award for Region XI and the national and regional Model Employee of the year award (TMEOYA), Loyalty awards, followed during the evening session. The retirees of Team Aguila were also given much importance and honored during the night.

The night of all nights though would not be complete without the TEDSANS flaunting their coat and tie, for the gents, and gown and/or cocktail dress for the ladies all in their ... splendor....

TESDA BM Asper visits LSF

The LSF Family with TESDA Board Member Antonio C. Asper and TESDA Central Office Personnel

Earlier in 2017, the Star Regional Review Committee led by PD Arlyn Bandong of Compostela Valley, SRRC shepherd for Davao Region, visited Lupon School of Fisheries to evaluate the fourteen qualifications for TESDA's Star Rating System.

In June 2017, the Star Validation Team from TESDA Central Office composed of five personnel, likewise, paid a visit to validate the result of the SRRC.

On a recent sojourn in TESDA Davao Region, Board Member Antonio C. Asper made a final validation of sorts to Lupon School of Fisheries' nine qualifications with 1 star rating and two qualifications with an even higher level award category of 2 stars including the School's Center of Excellence, aquaculture cum processing.

The visit of Board Member Asper started with a campus tour in the morning of September

TESDA Board Member Antonio C. Asper during the interview with the LSF students in the LSF APACC Room.

14, 2017, where visited the different laboratories and work stations followed by the validation cum interview with the concerned faculty in the afternoon.
