New Food Proc lab to rise at DOPImain

The faculty and staff of DOPImain together with TESDA XIR regional Director Lorenzo G. Macapili and TESDA Davao Oriental Provincial Director Leah D. Braga during the groundbreaking ceremony

A 1.4 million peso-worth food processing workshop laboratory has had its ground-breaking ceremony last March 04, 2019 at the main campus of the new Davao Oriental Polytechnic Institute (DOPImain), then Lupon School of Fisheries (LSF).

Lorenzo G. Macapili, expected completion is in May of the current year. To save energy, the new food processing workshop laboratory will have bigger windows for improved natural lighting and ventilation.

This new workshop laboratory is an expansion of the Hotel and Restaurant Services (HRS) building complex which houses the following qualifications: Bartending NC II; Food and Beverage Services NC II; and Cookery NC II. The ground-breaking ceremony was graced by no-less than the Regional Director Himself with Miss Leah D. Braga, Provincial Director of TESDA Davao Oriental, Miss Ruth R. Pundang VSA III and the faculty and staff of DOPImain.

The construction of the workshop laboratory was made possible thru the financial support of TESDA Davao Region under the tutelage of Regional Director

DOPI holds Agri-Fishery Trade Fair

and Ms. Leonesa L. Robledo – Assistant Profes-
sor II and Mr. Rasam Garuda - trainer in Agricul-

tural Crops Production NC II scrutinized the pro-
jects exhibited by the students. In addition, the
students were also tasked to present their re-
spective projects that were displayed in the cov-
ered court.

Davao Oriental Polytechnic Institute Goals

For the years 2016-2022, the following six (6) major goals are formulated through its main functions, namely: Instruction, Research, Production and Extension:

1. Provide excellence in Competency-Based Technical-Vocational Education and Training (CBTVET) and develop/revises Competency Based Curriculum to meet the needs of the clients/community.
2. Provide quality student support services and programs
3. Enhance the conduct of research in Agri-Fishery sector and other allied programs
4. Intensify the conduct of Community Technology-Based Training Programs in the different barangays of Davao Oriental
5. Increase funds through Income Generating Projects (IGPs) and other funding source generation
6. Maintain strong commitment to excellence through continuous professional development of faculty and staff
